

1st Avenue: CLUB SERVICE

The first avenue of service is the development of acquaintances as an opportunity for service.

Jim Holsted – Responsible Board Member

1. ATTENDANCE – Chairman: Jim Holsted

The goal of the attendance committee is to increase attendance by ten percent.

The secretary will facilitate our efforts by maintaining accurate attendance records and apprising the board and individual members of their attendance records. Attendance data will be submitted monthly to the District Secretary and to board members at the regularly scheduled meeting.

The chair will provide information about pertinent district and international policies concerning attendance in a timely manner so the Club may respond with any necessary action.

A representative of the board will contact Rotarians who have had excessive absences in an effort to improve attendance or determine their intention to leave the Club. The board and chair will continue to encourage Club members to make up missed meetings and to utilize these make-ups as opportunities for inter-club fellowship. Other make-up opportunities include our monthly breakfast and board meetings. Our Club president makes regular announcements about the time and place for each make up opportunity and encourages members to attend. Members are asked to donate \$1.00 for each meeting they miss.

2. MEMBERSHIP DEVELOPMENT – Chairman: Jim Holsted

The goal of the membership development committee is to have 110 active members by the end of the year.

This committee is chaired by the president elect and will serve as the recruitment arm of the Club. As a group the committee will help to develop ways in which to increase the Club's overall membership base. Classification surveys to be conducted as needed.

3. ROTARY INTERNATIONAL INFORMATION & "FIRESIDE CHATS" – Chairman: Larry Nelson

In 2007-2008 we will hold a minimum of six informational programs (the first Thursday monthly during the weekly meetings) for all Club members to inform and encourage members to uphold Rotary International goals throughout the year. The committee holds "Fireside Chat" meetings throughout the year to share with new members the significance of being a Rotarian and Rotary International. The basic goal is to communicate to Club members the expectation of "Service Above Self."

4. PROGRAMS – Chairman: Jim Holsted

The goal of the programs committee is to provide diverse programs for each weekly meeting that are educational, entertaining and consistent with the objectives of Rotary.

The program chair will solicit the members to provide speakers from the community to keep the membership up to date on programs and activities in our local area. The chair will encourage programs on community information, as well as programs that inform the membership about Rotary at the local, district, and international levels.

5. SERGEANT-AT-ARMS – Kelly Freudensprung, Joe Hoelzer & Ron Proctor

The Sergeant-At-Arms will enlist Rotarians to perform three tasks at each meeting – lead the Pledge of Allegiance, provide the invocation and introduce guests. The Sergeants will assist with the collection of fines and other monetary penalties for violations as assessed by the Club. These fines are intended to fund Rotary projects.

Club members may be fined for arriving late, not wearing their name badge, having their name and picture or those of their family members appear in any print publication, absenteeism and for ringing cell phones or pages. Other penalties may be assessed when deemed appropriate by the Club.

6. CLUB NEWSLETTER – The “Tattler” – Editor: Bill Anderson

The treasurer's duties include paying bills, depositing funds, reconciling bank statements and providing accurate and detailed financial reports to the Board. Any and all financial irregularities shall be reported in a timely fashion.

9. BIRTHDAY TABLE – Becky Griffin

The goal of the Birthday Program for each year is to encourage fellowship by recognizing each Rotarian's birthday with cake and balloons monthly.

The Chair's job is to circulate a new Coordinators sign-up sheet for the coming year in May. At the first of the month, the Coordinator will be furnished with a letter and a list of people having a birthday during the month. The names and dates for the program are listed for the entire year. The person in charge of membership will furnish the Birthday Chairman with a copy of the application, for any new members, so that birthday information can be recorded on the master list.

The third Thursday monthly all Rotary members with birthdays that month are invited to lunch at the "Birthday Table." That month's coordinator asks one or more questions of each Birthday Table attendee; the question(s) improve Club member friendships.
